Tucked away on a private lane adjacent to Las Trampas Park and nestled amidst mature trees and lush greenery, this beautiful custom home offers approximately 4600 square feet of living space and *Mr. Diablo views* from nearly every room ♦ A *guest cottage* with a full bathroom and bedroom is located just off the four-car tandem garage ♦ The main home has *five bedrooms*, a *den/office*, and *five bathrooms* ♦ A brick fireplace with carved wood surround warms the living room while french doors open to the rear deck ♦ The island kitchen is appointed with slab granite counters, white cabinetry, which also features hardwood flooring, crown molding, and french doors to the rear deck, and Mt. Diablo views ♦ The island kitchen is appointed with slab granite counters, white cabinetry, stainless steel appliances, hardwood flooring, and a casual dining area ♦ Just off the kitchen, the spacious family room offers neutral carpeting, crown molding, a fireplace, french doors to the rear deck, and french doors to the pool area ♦ Upstairs, the master bedroom is enhanced by a built-in entertainment niche, recessed lights, a volume ceiling, and overlooks the treecrop canopies and Mt. Diablo. The master bathroom features a dual-sink vanity, a jetted tub, a linen closet, and two walk-in closets ♦ Just off the master bathroom, a versatile sitting room/exercise room is warmed by a gas-log fireplace, 2 skylights, and has its own private observation balcony overlooking the pool area ♦ A large laundry room, an adjacent built-in linen armoire and a study niche are also located on the upper level of the home ♦ Other features of the home include an underground wine cellar and extensive attic storage ♦ Situated on *over an acre*, the private grounds offer a Pebble Tec pool and spa, abundant decking & patio areas, a Bocce ball court, vast gardens and lush lawns. Ideal for entertaining!
